NOTICE

Have a joint account or looking to open one?

If you have a joint account, or choose to open a joint account with us, and receive paper statements, you'll soon start to receive a paper statement for each account holder.

This means each joint account holder will receive a separate statement at their nominated account addresses (the address where you'd like to receive joint account-related correspondence and statements, which can be nominated separately for each account holder).

If at least one joint account holder is non-personal or you have a Personal Overdraft on your account, this change does not impact you.

Why is this happening?

Currently, joint accounts have one shared account address for both account holders. We're making this change so that each account holder can nominate their own individual account address.

No action required

You don't have to do anything at this time. Once each account holder starts to receive separate statements, you'll each be able to nominate the account address where you'd like to receive your joint account-related correspondence and statements.

No changes to online statements

If you've already opted-in to receive online statements, each account holder will continue to receive their joint account-related correspondence and statements electronically via their nominated email addresses.

It's easy to switch to online statements

Online statements are free. For joint accounts without a Personal Overdraft, both account holders need to be registered for NetBank and have a valid email address. You can switch to receive online statements via the CommBank app or NetBank. To switch, visit **commbank.com.au/onlinestatements**
